RE: Sponsorship Request

More than 90% of young adults aging-out of the foster system will become homeless, incarcerated, in prostitution, sex trafficked, or dead within three years. It's a frightening statistic and Agape Ranch is determined to leave a better legacy for these youth. Agape Ranch is a local 501(c)3 charitable organization that is developing The Ranch, a 24-home neighborhood right here in the Coastal Bend, that will provide a safe environment for foster children and aging out foster youth. The Ranch will also provide mentorship for aging out foster youth while they pursue their college or trade school career.

The pandemic affected everyone this year, and Agape Ranch was no exception. But there's hope! On March 20, 2021, Agape Ranch will be hosting a 5K and 10K Walk/Race at Heritage Park starting at 7:45 a.m. to raise awareness and get closer to the goal of funding the second home on the Ranch for aging-out foster youth.

Five different sponsorships are available for this event. Sponsors will be recognized for their contributions. Please consider partnering with Agape Ranch so that we can continue to work toward building a better legacy for vulnerable children and youth in the Coastal Bend.

Agape Ranch is a 501(c)(3). If you have any further questions about this event, please feel free to contact Melissa Faux, Director of Operations at melissa@agaperanch.org or 954-295-3442.

Sincerely,

Melissa Faux
Director of Operations
Agape Ranch

AGAPE RANCH 5K SPONSORSHIPS
