RE: Donation Request

Agape Ranch was established to provide support for foster and adoption ready children and their families. More than 500 children from Nueces County are in foster care. Since the foster care placements in the county exceed the ratio of foster families available for placement, more than 100 children are annually placed outside the county. Agape Ranch is on a mission to establish a supportive community and provide resources for foster care and adoptive parents.

On November 9, 2019, Agape Ranch will be hosting a 5K Race at Heritage Park starting at 7:45 a.m. Five different sponsorships are available for this event. Sponsors will be recognized for their contributions. Please consider partnering with Agape Ranch so that we can continue providing services for foster children and their families.

Agape Ranch is a 501(c)(3); your donation is tax deductible. If you have any further questions about this event, please feel free to contact Nichole Wagoner, Race Coordinator, at nicholecwagoner@gmail.com or 361-549-7388.

Sincerely,

Nichole Wagoner, Race Coordinator

Kandee Guartuche, Race Consultant

#leavealegacy5K Sponsorship Form
